Vision

To be a globally recognized center of excellence in allied sciences education, research, and innovation, dedicated to shaping future leaders and driving advancements in healthcare and related industries.

Mission

Our mission is to provide transformative educational experiences that empower students to excel in allied sciences, instilling in them a commitment to lifelong learning, ethical practice, and compassionate service to society. Through innovative teaching, rigorous research, and impactful community engagement, we strive to cultivate a diverse community of learners and professionals equipped to address the evolving challenges and opportunities in healthcare and allied fields.

Our Motto: "Empowering Minds, Transforming Lives"

Embark on your journey with us and discover the limitless possibilities that await you in the captivating world of allied sciences.

PROGRAMS OFFERED

At Sajar College of Allied Sciences, we offer a comprehensive array of programs meticulously designed to equip our students with the skills and knowledge needed to excel in their chosen fields. Our diverse range of programs includes:

Physician Assistant:

Prepare for a rewarding career as a vital member of the healthcare team, assisting physicians in providing quality patient care.

Health Assistant:

Gain the foundational knowledge and practical skills necessary to promote health and wellness in diverse healthcare settings.

Pharmacy Assistant:

Explore the world of pharmaceuticals and pharmaceutical care, preparing for roles in pharmacies, hospitals, and healthcare facilities.

Medical Laboratory Technology:

Dive into the realm of diagnostic medicine, mastering the techniques and technologies essential for analyzing medical samples and aiding in patient diagnosis and treatment.

Operation Theater Technology:

Become proficient in operating room procedures, equipment management, and patient care, playing a crucial role in surgical teams and ensuring safe surgical outcomes.

Fashion Technology:

Blend creativity with technical expertise in the exciting field of fashion, learning the intricacies of design, production, and marketing in the fashion industry.

KEY FEATURES OF OUR PROGRAMS:

- **Duration:** Each program spans one year, providing a focused and immersive learning experience.
- **Certificate Enrollment:** Graduates of our programs are eligible to enroll their certificates at the Government Employment Exchange, enhancing their employability.
- **Internship Opportunities:** Benefit from six months of hands-on internship experience, allowing you to apply classroom knowledge in real-world settings.
- **Job Placement:** We are proud to offer guaranteed 100% job placement upon successful completion of our programs, ensuring a smooth transition into the workforce.

Embark on your journey toward a fulfilling career in allied sciences with Sajar College of Allied Sciences. Explore our programs and discover the path that best aligns with your aspirations and interests.
